behind Tin Factory, Bengaluru-16.

## About Me

Highly motivated and diligent BCA student at Kristu Jayanti College (Autonomous), pursuing a passion for computer science and technology. Possessing a strong foundation in programming languages such as Java and Python, with a focus on application development and problem-solving. Proven ability to work effectively in team projects and adapt to new technologies. Eager to leverage my skills and knowledge to contribute to organizational success in a dynamic and innovative environment. Committed to ongoing learning and professional growth in the ever-evolving field of computer science.
